PROUD SUPPORTERS OF ENGLAND WOMEN

Legacy numbers process:

All former players have been identified via a thorough research programme commissioned by The FA and funded by The National Lottery Heritage Fund with the ambition to better recognise the history of the women's game. This has been built from historical records and a thorough research project with support from Professor Jean Williams and her colleagues from JJ Heritage, Patricia Gregory and her former colleagues from the WFA, Colin Aldis, Rod Prescott, Daniel Mooney, John Carrier, Thorsten Frennstedt, David Hanley, the National Football Museum, the British Library, UEFA, FIFA, Former players, FA colleagues past and present, and many other individuals from the women's football family. The FA are indebted to all those who have helped in this project.

Any player who has debuted in the same match as another player is placed in shirt number order from the starters, then in substitute order based at the time entered the pitch. Then finally in alphabetical order for those who debuted at the same time as other substitutes, or if records could not be found of the timings.
